

Tenderest Moments

Erasure

Dmi Ami C G (2x)

Dmi Ami
1. We go down
C G Dmi Ami C G
To a foriegn land
Dmi Ami
Dive through the clouds
C G Dmi Ami C G
You hold the guiding light in your hands

Dmi Gmi Ami
This must be all that there is
C
Times don't come much more beautiful

C
You can show me places
F
That my eyes have never seen
C
I'm followin' you
F
Where are you taking me to?

C
R: You could be my angel
F
Who just walks out of a dream
C
I'm followin' you
F
Where are you taking me to?
G
I have all faith in you
F
And these tenderest moments (these tenderest moments)

Dmi Ami C G (2x)

2. We circle low
Embrace the night as she draws us in
A holy shroud
A veil to hide our tenderest moments

This must be all...

You can show me places...

R: You could be my angel...
