I need one of them

I need one of them I need one of them I need one of I need Most girls probably would've walked out on me by now Most girls probably would've slashed my tires by now Most girls probably would've posted our business on the gram Most girls yeah but you ain't most girls That's why you get a song about you and they don't That's why we gon' be doing the things that they won't I'ma keep it laced like And your girls gon' be like how you How you put up with him how? Girl how you always hold him down How you do it with a smile? My niggas like I need one of them My niggas like I need one of them My niggas like I need one of them I need one of them Most girls probably would've fucked off on me by now Most girls would've smashed up my phone by now Most girls would never hold me down baby girl like you do You let me know Whatever it cost you get whatever you want I swear to god all I ever think about is you But your girls still be like how you How you put up with him how? Girl how you always hold him down How you do it with a smile? My niggas like I need one of them My niggas like I need one of them My niggas like I need one of them

But I got what I need, oh yeah
I got what I need, oh yeah
And you know I don't mean no harm
You so in love with my charm
Your girls still wanna know how

How you put up with him how?
Girl how you always hold him down
How you do it with a smile?

My niggas like I need one of them My niggas like I need one of them I need one of them
