## It's My Life

## **Eric Burdon**

It's a hard world to get a break in All the good things have been taken But girl there are ways To make certain things pay

Though I'm dressed in these rags I'll wear sable some day Hear what I say I'm gonna ride the serpent

No more time spent sweatin' rent Hear my command I'm breakin' loose, it ain't no use Holdin' me down, stick around

And baby, baby Remember, remember

It's my life and I'll do what I want It's my mind and I'll think like I want Show me I'm wrong, hurt me sometime But some day I'll treat you real fine

There'll be women and their fortunes Who just want to mother orphans Are you gonna cry? While I'm squeezin' them dry

Takin' all I can get, no regrets When I openly lie And live on their money Believe me, honey, that money

Can you believe? I ain't no saint, no complaints So girl throw out Any doubt?

And baby (Baby) Remember (Remember)

It's my life and I'll do what I want It's my mind and I'll think like I want Show me I'm wrong, hurt me sometime But some day I'll treat you real fine

(It's my life and I'll do what I want)
Don't push me
(It's my mind and I'll think like I want)
It's my life

(It's my life and I'll do what I want)
And I can do what I want
(It's my mind and I'll think like I want)
You can't tell me

(It's my life and I'll do what I want)
