

# Change Of Heart

Eric Carmen

I can still recall  
When we said that our love was forever  
All those plans we made  
For tomorrow that looked so bright  
And I understand  
All the reasons you gave me for leavin'  
But that doesn't help  
When I'm sleepin' alone each night

So if you ever have a change of heart  
Just remember it's not too late to start  
If you still believe in what love can do

I could find someone  
More than willing to be your replacement  
But there's no one else  
Who can move me the way you do  
So for now, goodbye  
But if ever you find you still want me  
You just call my name  
'cause I'll always be here for you

So if you ever have a change of heart  
Just remember it's not too late to start  
If you still believe in what love can do

Nothing you could ever do  
Would change the things I know  
Deep in my heart  
So I got to make you understand before I go  
Sooner or later  
I don't know when  
I'm gonna get you back  
In my arms again

And if you ever have a change of heart  
Just remember it's not too late to start  
If you still believe in what love can do

And if you ever have a change of heart  
Just remember it's not too late to start  
If you still believe in what love can do

And if you ever have a change of heart  
Just remember it's not too late to start  
If you still believe in what love can do
