

# Coming Home

Eric Saade

I'm coming home,  
I'm coming home, Yeah

Funny, how she's, caught up running in my head  
Girlfriend, not yet  
We just met  
Only been a couple weeks  
But this girl is so unique, yeah  
Useless, screw this  
I'm with her by midnight  
I'm coming your way, I'm coming your way  
For you  
Girl I'm gonna prove that  
I'll go out of my way, out of my way  
For you  
'Cause baby there the thruth is...

I've been on the road  
Been all alone  
So far away, so gone  
To another place  
A different day  
Wish I could see your face  
I'm figured out, uoooh  
Home is where your heart is around  
I'm figured out, uoooh  
Home is where your heart is around  
Around, yeah

I'm coming home  
I'll fly across the globe  
I'm coming home  
'Cause your heart is my home

Rivers, mountains, don't care what comes up ahead  
Hair did, lipstick, memories of the  
Last time we had a night  
There was something in your eyes, yeah  
Even, speaking, telling me to follow  
I'm coming your way, I'm coming your way  
For you  
Girl I'm gonna prove that  
I'll go out of my way, out of my way  
For you  
I'm telling you the truth is...

I've been on the road  
Been all alone  
So far away, so gone  
To another place  
A different day  
Wish I could see your face  
I'm figured out, uoooh  
Home is where your heart is around  
I'm figured out, uoooh  
Home is where your heart is around  
Around, yeah

I'm coming home  
I'll fly across the globe  
I'm coming home  
'Cause your heart is my home

I wanna be down that's what I reached out  
I'm keeping my cool I ain't tryna freak out  
I'm feeling the vibe when I am with you  
I gotta admit girl I kinda miss you  
I kinda miss you  
I kinda miss you  
I gotta admit girl I kinda miss you  
I kinda miss you  
I kinda miss you, you, you  
I've been on the road  
Been all alone  
So far away, so gone

I've been on the road  
Been all alone  
So far away, so gone  
To another place  
A different day  
Wish I could see your face  
I'm figured out, uoooh  
Home is where your heart is around  
I'm figured out, uoooh  
Home is where your heart is around  
Around, yeah  
I'm coming home  
I'll fly across the globe  
I'm coming home  
'Cause your heart is my home

I'm coming home  
I'll fly across the globe  
I'm coming home  
I'm coming home  
I'm coming home  
'Cause your heart is my home
