

I Knew The Moment I Lost You

Ernest Tubb

A man may have his trials and tribulations and at times he feels so low and so blue
But from now on I will be entirely different and I knew the moment I lost you
Well to all my worries and my disappointments there is still a little light shining through
Still within my heart I know there is another and I knew the moment I lost you
There is nothing we can do to get along now that's been proved unto me and to you
So why not let's be fair to each other for I knew the moment I lost you
If there's something I have done you've not forgiven
Just remember that I'm human same as you
Why not let's consider our mistakes dear for I knew the moment I lost you
