

Mr. Jukebox

Ernest Tubb

The jukekox just told my life story told it in the words of a song
So I'll have another drink to the jukebox and one to the man that wrote the song
So hear Mr Jukebox please take my last dime
Tell me the story of my life one more time
Bring back the mem'ries of the past that was wrong
Here's another drink to you and the man who wrote the song
So hear Mr Jukebox please take my last dime
Tell me the story of my life one more time
Bring back the mem'ries of the past that was wrong
Here's my last drink to you then goodnight and so long
