If you seek for eldorado
take the route obscure
but if you wlak tat lonely path
you never can be sure
will you rise or will you fall?
will you ever get there ?
Will you find your Eldorado or just another nightmare ?

From the center of the fountain to the top of the mountain you could be a desperado and follow someone elses shadow on your way to Eldorado

So you ride alone and brave and pass the cities and the lands on your way to Eldorado you might find love you might find some friends but the route is always lonely because you'll have to go alone maybe you'll find your Eldorado while you have nothing left undone

From the center of the fountain to the top of the mountain you could be a desperado and follow someone elses shadow on your way to Eldorado From the point of no return with no bridges left to burn you could be a desperado and follow someone elses shadow if you seek for eldorado you may find your eldorado find your eldorado go and seek for it!
