

# I Can Only Change Myself

## Escape With Romeo

There's no revolution  
Until it gets you too  
There's no evolution  
Until it starts within you

I'm tired of the daily wars  
Of greed and lust for fame  
When it comes to inner peace  
There's no-one you can blame

REF

I can only change myself  
To see the world in a different light  
I can only change myself  
And I'm gonna start tonight

New territory we must find  
And it's not the promised land  
Are you ready to walk on higher ground  
When reason comes to an end

Stop being so self-possessed  
Stop acting like someone else  
Stop believing in the same old lies  
Discover a truth that no-one sells

REF

I can only change myself  
To see the world in a different light  
I can only change myself  
And I'm gonna start tonight
