**Esham** 

Growing up, living in a panic zone Spitting wicket shit on the microphone Smoke that shit, your brains be blown You gone, nigga wrong Only out for the scrilla, thats my fetty, boss One-eight-seven ain't nothing but spaghetti sauce Cross me you pay all costs Heres one your ass just lost All y'all must pay Every dog has his day Thats the reason they made the AK Who just made the 10 o clock news? Blew that boy up out his shoes Old rules, left no clues Body found floating in a bloody pool Mass hysteria in America Game lock down like a pitbull terrior Bitch been a millionaire, I still wont marry ya Slugs to you head, six people Paul-bury ya Colgate froze flows like cocaine Mental overdose explode your brain Some might think that it's insane To take a gun cock back and aim

You know you can't play me, baby, gotta pay me (You got that for me)
You know you can't play me, baby, gotta pay me (You know you owe me)
You know you can't play me, baby, gotta pay me (Pay me)
You know you can't play me, baby, gotta pay me (You know you owe me, baby)

See the number one mission be to get this cash And if a nigga fuck with that, I'm a get in his ass I pull the trigger, squeeze, blast if you think you gon last Seventeen to the spleen, you a thing of the past When I really wanna smash I hit the stash spot Put the nine to your mind and clean your cash out See a nigga had to pay me if he ever owed me A thug about my business, I'll do ya homie Drink the O-E and tote the tech nine I don't care what you claim, you gonn respect mine Mean time, in between time, on the Esham Finda put it down when it come to the green now Look into my eyes, tell me can you really see? Its the truth when I rap cause I bring mine Bring it like I bring it cause nigga O-T Original Thugsta from the B-O-N-E C-Town to the D-Town Its a Midwest thang we let em hang to the grees-ound Smokin trees by the P's-ound Blowing big with my niggas, muthafuckas wanna be down But I'm a hit ya with the heat now Cause when I creep now, deep down, nigga wanna let it go But when it comes to the fetty, yo You see a rich muthafucka turn straight into a wetty hoe

All the way from the C-Town
To the muthafucking D-Town
We down to get it cracking robbin'em and rappin, jackin

```
Whutever make us happy
     And a nigga only happy if he got some cash
     But if I'm broke as fuck then I'm mad
     Ready to put a gun to some unlucky muthafuckas ass
     And I'm a take him for the stash, break him
     Leave the nigga there lookin sad
     But if he tryin jump bad, I'm a fade him
     The nigga gave me no ultimatum and I dont play that shit
     Unhand the money, nigga
     Pay me, I dont got all day
     I got a couple muthafuckas to break
     I want skrilla, for rilla
     Killa, doller bill-a
     This trigger is not ya friend and it gots no heart
     So dont be thinking I wont stop yours
     Give me everything ya got boy
     You are now caught in the midst of original
     Wigsplitter killer criminals
     Better Watch out boy you might die!
     You know you can't play me, baby, gotta pay me (You got that for me)
     You know you can't play me, baby, gotta pay me (You know you owe me)
     You know you can't play me, baby, gotta pay me (Pay me)
     You know you can't play me, baby, gotta pay me (You know you owe me, baby)
     Nigga, call the nigga "Sho Love"
     Cause I gotta get mine
     Even if I must bust
     Said again I been good
     But I'm still in the streets with heat
     Cause a nigga gotta eat
     Its a Bone thing what?
     Cause I love some money
     Funky, filthy, dirty money
     And I... really hope ya dont owe me
     Cause I.. really love my money
     Ya die
     I dont give a fuck 'f it's made in the hood
     I dont give a fuck man, they say its all good just
     Give me my cheese or else.. somebody gon bleed
     Can you feel that?
     Nigga get back what you dont believe
     Ain't no tellin whut the Bone Thugs niggas got 'n sleeves
     Dressed like a picture
     Flash and I get you
     No cameras here
     Just nine millimeters
     I'm not gonna loose
     Real thug, really though
     Paid my dues
     But niggas wanna test
     Aint no tellin who
     Thats why I dont give a fuck about bloody pools
     Leave em in that, fuck that
     Bust back, real thugs stay strapped
     You dream about it, but I really live that
     Yes I love that honey but, oh
     I love that money, that money so much moe!
     You know you can't play me, baby, gotta pay me (You got that for me)
