

# First Love

Esmée Denters

It was the summer that changed our lives forever  
Do you remember all of the nights we spent together  
But we were fooling crazy and reckless  
Acting careless and jealous  
There was nothing between hell and heaven

It'll never be like when you were mine  
It was the first time that I ever felt so alive  
And when you left me I swear that I could die  
And for the first time  
I felt like the world was gonna end

Ain't nothing like your first love  
Ain't nothing like my first love  
Ain't nothing like your first love  
Ain't nothing like my first love

Ain't nothing, nothing  
'Cause it'll never be like when you were mine, oh  
Ain't nothing like your first love  
Ain't nothing like my first love

Never felt such pleasure and so much pain  
I wanted you so bad but you were playing games  
Thought that you had the answers to all of my questions  
Guess I was too young, too young to understand

It'll never be like when you were mine  
It was the first time that I ever felt so alive  
And when you left me I swear that I could die  
And for the first time  
I felt like the world was gonna end

Ain't nothing like your first love  
Ain't nothing like my first love  
Ain't nothing like your first love  
Ain't nothing like my first love

Everything changes but the memories remain  
And one thing is for certain  
It'll never be the same  
It won't be like the first love  
Not like the first love  
It won't be like the first love, oh

Ain't nothing like your first love  
Ain't nothing like my first love  
Ain't nothing like your first love  
Ain't nothing like my first love

'Cause it'll never be like when you were mine  
Ain't nothing like your first love  
Ain't nothing like my first love

Everything changes but the memories remain  
And one thing is for certain  
It'll never be the same

It won't be like the first love  
Ain't nothing, nothing  
Ain't nothing like your first love  
Ain't nothing like my first love  
Ain't nothing, nothing
