

If I Could I Would

Esmée Denters

He's the kind of guys that get you flowers
Stand outside for you in the rain
Call you up to say he's thinking 'bout you
Hanging on every word you say
If I was Rapunzel, he'd climb every tower
And fight the dragon for my heart
But no matter how bad I wanna love him
I just can't seem to fall

But if I could, I would love you
But I can't make myself feel what ain't true
And I know that I'm an idiot
Cause any fool would kill to be with you
But if I could, I would
You know I would

He's something like a superhero
But his powers can't save my day
I can't explain what it is I'm feeling
But something's missing and I just can't stay
If I was Rapunzel, he'd climb every tower
And fight the dragon for my heart
But no matter how bad I wanna love him
I just can't seem to fall

But if I could, I would love you
But I can't make myself feel what ain't true
And I know that I'm an idiot
Cause any fool would kill to be with you
But if I could, I would
You know I would

But if I could, I would love you
But I can't make myself feel what ain't true
And I know that I'm an idiot
Cause any fool would kill to be with you
But if I could, I would
You know I would

But if I could, I would love you
But I can't make myself feel what ain't true
And I know that I'm an idiot
Cause any fool would kill to be with you
But if I could, I would
You know I would
