

# Motivation

Esmée Denters

You think you know who I am  
But you don't have a clue  
You ain't nothing but a stranger

Your words may hurt for a while  
But after a while  
They can only make me stronger

And I do, do the best that I can  
But you keep bringing me down  
Don't you know I'm only human?  
And I never said that I was perfect  
And I'm still learning  
Every day I'm getting better

Everything that you say and  
Anything that you do to try to hurt me  
I use it as motivation

Go on try to shame me and  
Tell me how you hate me  
It won't break me  
I use it as motivation

No matter, no matter how hard I try  
I know that in your eyes  
I'll never be good enough

So easy for you to just assume things  
Yeah you know you can't judge me  
When you've never walked a mile in these shoes

Everything that you say and  
Anything that you do to try to hurt me  
I use it as motivation

Go on try to shame me and  
Tell me how you hate me  
It won't break me  
I use it as motivation

Oh oh  
I use it as motivation

I walk a little faster  
I scream a little louder  
I work a little harder

I run a little faster  
I scream a little louder  
I use it as motivation

Everything that you say and  
Anything that you do to try to hurt me  
I use it as motivation

Go on try to shame me and

Tell me how you hate me  
It won't break me  
I use it as motivation

Oh oh oh oh oh oh oh oh  
I use it as motivation
