Bitch bad, lookin like a bag of money
Shawty, if you want a bag better shake that ass for me
Work that ass overtime, shawty show me that you mean it
She's so good, I think I'm dreaming
Give me brain til I'm a genius
D&G, Louie V bust it open let me see
Show me all them tricks you learned, come get nasty for a G
Get nasty for them C-notes, leave out the bitch with a B-roll
I'm somewhere in Miami gettin' throwed like Dan Marino
Make it rain if you thirsty, put you to work for this Birkin
You gotta show me you're worth it
Now throw that ass in a circle
I'm not handcuffing but I'll be your man for the moment
Imma smack it, squeeze it, grab it, leave my handprints on it
