

## Gnostic Serenade

Esther Ofarim

And finally we are as the times are  
We meet to part and go our separate ways  
And I am trapped on this crazy star  
I've been a prisoner all of my days

Once we were young and we laughed a lot  
and happiness wasn't peculiar like today  
But I would give you everything you think I've got  
Just to prove that it needn't remain this way

Don't let the tears fall from your eyes  
if you can't make it I'll find some other way  
And try to be like the stars up in the sky  
and shine on nothing, wait to the end of the day.

And try to be like the stars up in the sky  
and shine on nothing, wait to the end of the day
