

# I'll Take Care of You

Etta James

I know you've been hurt by someone else  
I can tell by the way you carry yourself  
But if you let me here's what I'll do  
I'll take care of you

I, I've loved and lost the same as you  
So you see I know just what you've been through  
But if you let me here's what I'll do  
Oh I just got to take care of you,

You won't ever have to worry  
You won't ever have to cry  
I'll be there beside you  
To dry your weeping eyes

So darling tell me that you'll be true  
For there is no doubt in my mind  
I know what I want to do  
Understand, sure as one and one is two  
Oh, you know I'll take care of you  
I'll take care of you
