

Shakey Ground

Etta James

Lady luck and four leaf clovers
Won't ease this hurt I feel all over
My life was one special occasion
'Til you leave in depth of the situation

Well well well standing on shakey ground
Ever since you put me down
Standing on shakey ground
Ever since you put me down

My car got repossessed this morning
Harder times I haven't seen in years
Lord ya better throw me a life preserver
'Cos I'm about to drown in my own tears

Well well well standing on shakey ground
Ever since you put me down
Standing on shakey ground
Ever since you put me down

Well well well standing on shakey ground
Ever since you put me down

Standing on shakey ground
Ever since you put me down
Standing on shakey ground
Ever since you put me down

Well well well standing on shakey ground
Shaking, shakey ground
Standing, standing
Standing on shakey ground
