

Forever Travelling

Europe

C#mi **A** **F#mi**

A voice that fly, is broken just the same

C#mi **AF#mi**

You spin this life around

C#mi **A** **F#mi**

You bring me where some harder soul remain

C#mi **AF#mi**

From a cold, cold place in time

D F#mi C#mi DG A Hmi D
And you say: I, I just know how you make me feel

G Em Hmi
You take it all the way, you send me all the way

G A Hmi D
Oh, I, I just know where I want to be

G Em Hmi D G A Em
Forever wandering, forever travelling

A voice that cry, but im smiling just the same
You show me where to look
I was skin and bones, just circling the sun
One glimps was all it took

And you say: I, I just know how you make me feel
You take it all the way, you send me all the way
Oh, I, I just know where I want to be
Hm D G A Em

Forever wandering, forever travelling

Hm D
Somewhere in my mind, Im under the golden gate
G
Somewhere in my heart, remember sitting by the lake

Em
Sometimes I cant feel, the wheel from the sky, its been turning

Oh, I, I just know how you make me feel
You take it all the way, you send me all the way
Oh, I, I just know where I want to be
Forever wandering, forever travelling
