

Breathe No More

Evanscence

Bm G A Bm G A
1. I've been looking in the mirror for so long
That I've come to believe my soul's on the other side
All the little pieces fallen, shatter
Shards of me, too sharp to put back together

F#m G
Too small to matter
Bm A F#m G
But big enough to cut me into so many little pieces
A
If I try to touch her

G A G A
R: And I bleed, I bleed
Bm A Bm A
And I breathe, I breathe no more

Bm G A

2. Take a breath and I try to draw from my spirit's well
Yet again you refuse to drink like a stubborn child
Lie to me, convince me that I've been sick forever
And all of this will make sense when I get better

F#m G Bm A
I know the difference between myself and my reflection
F#m G
I just can't help but to wonder
A
Which of us do you love

G A G A
R: So I bleed, I bleed
Bm A Bm A
And I breathe, I breathe no
G A G A
Bleed, I bleed
Bm A Bm A
And I breathe, I breathe
Bm A Bm A
I breathe, I breathe no more
