

The Change

Evanescence

Thought that I was strong
I know the words I need to say
Frozen in my place
I let the moment slip away

I've been screaming on the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
Haaa...

Say it's over,
Yes it's over
But I need you anyway
Say you love me but it's not enough

Never meant to lie
But I'm not the girl you think you know
The more that I am with you
The more that I am all alone

I've been screaming on the inside...

Say it's over,...

How could I set you free?
Not that I am so different
Not that I don't see it
I don't deny what we used to be
How could I forgive you?
You've changed!
And I'm a liar by your side
I'm about to lose my mind

'Cause I've been screaming on the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
Haaa...

You've been dreaming
If you're thinking
That I still belong to you
I'll be dying,
'cause I'm lying to myself!
Haaa...

Say it's over,...
