1. Catch me as I fall
  say you're here and it's all over now
  speaking to the atmosphere
  Ami
  no one's here and I fall into myself
  Emi D Emi C
  this truth drives me into madness
   I know I can stop the pain if I will it all away
  if I will it all away
  Emi
R: Don't turn away
   (don't give into the pain)
   don't try to hide
   (though they're screaming your name)
   don't close your eyes
   (God knows what lies behind them)
   don't turn out the light
   (never sleep never die)
2. I'm frightened by what I see
  but somehow I know that there's much more to come
  immobilized by my fear
  and soon to be blinded by tears
  I can stop the pain if I will it all away
  Ami D
   if I will it all away
   Emi
R1: Fallen angels at my feet
   whispered voices at my ear
   death before my eyes
         D C
    lying next to me I fear
   Emi
    she beackons me shall I give in
    upon my end shall I begin
                                                    Emi
    forsaking all I've fallen for I rise to meet the end
