

Take It Back

Face to Face

I won
I worked too hard to get it
So what?
It's over just forget it

Too much, too soon
Too late until you realize
You've got it made?
You're in for a big surprise

That's not what I want at all
That's not what I wanted
Can I take it back?
Can I take it back?
I'm asking

It's gone
And I don't want to fake it
It's wrong
I've become the one I hated
