

Over

Fact

Outside my window
the rain is falling
just the same as it always does
And nothing changes,
I go on counting,
go on considering
Try to suppress it,
depend on apathy
to paper over the cracks
And nothing changes,
it goes on pouring,
I go on tumbling
Don't stop - Hoping for an end
Stay strong - Try to comprehend
Move on - Can we start again?
Not done - nothing's over
Don't stop - Hoping for an end
Stay strong - Try to comprehend
Move on - Can we start again?
Not done - nothing's over
Lost the hunger to think
it through

Any more
it's just a chore and I'm done
What on earth is it coming
to anyway?
Is it everything
you ever wanted?
Cos it won't be easily forgotten

Don't stop
Stay strong
Don't stop
Stay strong
Move on
Not done - nothing's over
Don't stop - Hoping for an end
Stay strong - Try to comprehend
Move on - Can we start again?
Not done - nothing's over
Don't stop - Hoping for an end
Stay strong - Try to comprehend
Move on - Can we start again?
Not done - nothing's over

nothing's over

nothing's over
