From Out of Nowhere

Faith No More

Tossed into my mind, stirring the calm You splash me with beauty and pull me down You come from out of nowhere My glance truns to a stare Obsession rules me - I'm yours from the start I know you see me - Our eyes interlock You come from out of nowhere My glance turns to a stare One minute here and one minute there Don't know if I'll laugh or cry One minute here and one minute there And then you wave good-bye... Sifting to the bottom, every day for two All energy funnels, all becomes you You come from out of nowhere My glance turns to a stare One minute here and one minute there Don't know if I'll laugh or cry One minute here and one minute there And then you wave good-bye...
