

Centuries

Fall Out Boy

Some legends are told
Some turn to dust or to gold
But you will remember me, remember me for centuries
And just one mistake, is all it will take.
We'll go down in history
Remember me for centuries

Remember me for centuries

Mummified my teenage dreams
No it's nothing wrong with me
The kids are all wrong, the story's all off
Heavy metal broke my heart
Come on, come on and let me in
I'm bruises on your thighs like my fingerprints
This is supposed to match
The darkness that you would felt
I never meant for you to fix yourself

Some legends are told
Some turn to dust or to gold
But you will remember me, remember me for centuries
And just one mistake, is all it will take
We'll go down in history
Remember me for centuries

Remember me for centuries

I can't stop 'till the whole world knows my name
Cause I was only born inside my dreams
Until you die for me, as long as there's a light
My shadow's over you
Cause I am the opposite of amnesia
And you're my cherry blossom
You're about to bloom
You look so pretty, but you're gone so soon

Some legends are told
Some turn to dust or to gold
But you will remember me, remember me
for centuries
And just one mistake, is all it will take
We'll go down in history
Remember me for centuries

Remember me for centuries

We've been here forever
And here's the frozen proof
I could scream forever
We are the poisoned youth

Some legends are told
Some turn to dust or to gold
But you will remember me, remember me for centuries
And just one mistake, is all it will take
We'll go down in history

Remember me for centuries

We'll go down in history
Remember me for centuries.
