Seal the clouds with grey lining

- *: So we can take the world back from the heart-attacked
One maniac at a time we will take it back
You know time crawls on when you're waiting for the song to start
So dance alone to the beat of your heart

- R: Hey young blood doesn't it feel
Like our time is running out
I'm going to change you like a remix
Then I'll raise you like a phoenix
You're wearing our vintage misery
No I think it looked a little better on me
I'm going to change you like a remix
Then I'll raise you like a phoenix

Em
