

Out Of My Mission

Fancy

1.

Come follow me
There are so many things to talk about
Come follow me
To another dimension

We all need a different place to run
Leave your pride behind
And brighten up your mind

Ref.

Out of my mission
Out of control
I feel your passion
On my soul

You'll find the answer
Don't waste your time
I feel you always
On my mind

2.

Come follow me
There are so many things to talk about
Come follow me
To another dimension

We all need a different place to run
Leave your pride behind
And brighten up your mind

Ref. x3

Out of my mission
Out of control
I feel your passion
On my soul

You'll find the answer
Don't waste your time
I feel you always
On my mind
