

Fire Escape

Fastball

Well I don't wanna be President
Superman or Clark Kent
I don't wanna walk 'round in their shoes

'Cause I don't know who's side I'm on
I don't know my right from wrong
I don't know where I'm going to
I don't know about you

I'll be the rain falling on your fire escape
And I may not be the man you want me to
I can be myself, how 'bout you?

I don't wanna make you mad
I don't wanna meet your dad
I don't wanna be your dream come true

'Cause I don't know just what I've found
I don't know my sky from ground
I don't know where I'm going to
I don't know about you

I'll be the rain falling on your fire escape
And I may not be the man you want me to
I can be myself, how 'bout you?

I can be myself, how 'bout you?
I can be myself
How 'bout you?
