## **Fire Escape**

Well I don't wanna be President Superman or Clark Kent I don't wanna walk 'round in their shoes

'Cause I don't know who's side I'm on I don't know my right from wrong I don't know where I'm going to I don't know about you

I'll be the rain falling on your fire escape And I may not be the man you want me to I can be myself, how 'bout you?

I don't wanna make you mad I don't wanna meet your dad I don't wanna be your dream come true

'Cause I don't know just what I've found I don't know my sky from ground I don't know where I'm going to I don't know about you

I'll be the rain falling on your fire escape And I may not be the man you want me to I can be myself, how 'bout you?

I can be myself, how 'bout you? I can be myself How 'bout you?
