

## Secret Agent Love

Fastball

You've heard every kind of corny line  
You're so fine, you're so unfashionable  
You've been everywhere a thousand times  
You're so cool  
So international

Captured as a stow away  
Upon the QE2  
Two weeks at sea alone  
So many miles away from home

These are the strange and exciting adventures of  
Secret agent, secret love  
Weird and impossible but totally true  
I think I'm secretly in love with you

You speak Russian and Chinese too  
Get all the kids to start a revolution  
Dangerous work but it's what you do  
You're not the problem  
You're the solution

Trained in all the martial arts  
(Adept in many fields)  
I know you feel the same  
So what's your real name (I know it)

These are the strange and exciting adventures of  
Secret agent, secret love  
Weird and impossible but totally true  
I think I'm secretly in love with you

Trapped within the prison walls  
Of foreign agencies  
They think you can't get free  
Only to have you escape to me

These are the strange and exciting adventures of  
Secret agent, secret love  
Weird and impossible but totally true  
I think I'm secretly in love with you  
I'm in love with you  
I'm in love with you
