

Winding on Me

Fat Joe

Eh
Eh
Eheh
Either boy

She got in the front, I took a step back
She threw it on me I aint expect that
She a dancer she could make it clap
Im in the zone now I think its a rap
She windin on me, she windin on me
Windin on me she windin on me
Windin on me windin on me
Windin on me she windin on me

Now I can throw it up watch it fall on her head
Or I could drop it on the floor and watch it curl to bread
Them niggas aint crack crack I been shakin them feds
Them niggas aint crack crack u could take it or leave
She windin on me grindin on me
Mama see em tryna fuck ya so whats it gonna be
I be in my zone now I'm sippin slowly
You could bet the whole house she gunna blow me
Maybe cause she no me and I'm lit up like a flare on the bottom
She up in an aston by the size of em goggles
Keep duffle cash inside of that louie bag
If I could bottle it up ill sell you my swag

She got in the front, I took a step back
She threw it on me I aint expect that
She a dancer she could make it clap
Im in the zone now I think its a rap
She windin on me, she windin on me
Windin on me she windin on me
Windin on me windin on me
Windin on me she windin on me

It go ewwww girl I love you soo
But I put money way above you though
Nasty by nature human vibrater
Just hope that I dont spit yah out as soon as I taste yah
Im cool as lemonade at a sunday picnic
Ill break your girl off and you are not mr.fix it
Uhhh...so she called me to make it juicy for her
And I'm a beat it like I produced it for her
Hot as lucifer
Make that thing right for two of us
Gimme bout a week I'm a have a prostitute named booty for us
So many women be like weezy please seduce it for us
Then after I do they be like please play that acoustic for us
Haha.. I'm an undercover lover and if she backed up I am Joseph the pluma
Haha you can find old ends and since she like my tear drops she be windin on mee!
