

# Love Life

Fatboy Slim

Love life  
I've got to, I've got to have it  
(Love life)  
I've got to, I've got to have it  
(Keep me satisfied, oh my)  
Got to  
I've got to eat it  
(With my love life)  
Yeah  
I've got to rub it  
Yeah, I've...  
(Always by my side, oh my)  
Look at my  
I've got to shove it  
(Be my love life  
It's my love)

I've got to do it  
I've got to sue it  
I've got to do it  
I've got to do it  
'Cause it's you, and me, see  
Yeah  
It's my love life  
It's my love life  
It's my love life  
I've got to do it  
I've got to blue it  
I've got to green it  
I've got to black it  
I've got to yellow it  
(I've got to have...)  
I've got to

(I've got to have...)  
Love life  
I've got to have ya  
(I've got to have ya)  
I'm gonna feel ya  
Love life  
Gimme some  
I've got to...  
...Satisfied

Got to sex it  
And I'm gonna confess it  
In my Lexy  
(With all) excess  
I've got to sex it  
When I confess it  
Just so messy

I'm gonna sex it  
(Love, love, love  
I got to...)

When I hit the door

When I roll the floor  
It's for sure  
That I want some more

(Love, love, love life)

I'm gonna roll it  
I'm gonna bro it  
I'm gonna sister it  
I'm gonna father it  
I got to do it  
I got to blue it  
In my shoes and  
Ain't no foolin'  
Got to do it  
Got to do it  
I got to have it  
(I've got to have ya)

(I said)  
Yeah, yeah  
Gonna be my Superman  
Be my Batman  
Be my Invisible Man  
Yeah  
(Oh, my soul)  
Got to do it  
Be my Wonder Man  
Be my Wonder Man  
(And I got to have ya)  
(It's my, it's my)  
Take me under man, oh  
(It's my beautiful)  
I've got ta have ya

Gonna grab ya  
With my, with my, with my  
(Beautiful)  
Supa dupa  
(My love life)  
Right  
I got to have ya  
(Love!)

[Outro]  
Said I'm gonna A ya  
And I'm gonna B ya  
And I'm gonna C ya  
Gonna D ya  
If I E ya  
'Cause I wanna F ya  
Yeah, I wanna F ya  
Yeah, I wanna F ya  
It's my love life...
