

Say My Name

Faydee

Hold me closer
Don't let me go
Till I tell u so
I'm over, I get to u but... before u go
Chorus:
Now say my name say it loud
The way I like, like u know how
Say my name, say it loud
Make it... it's the last time will be around
Say my name say it loud
The way I like, the way I like
Say my name, say it loud
The way I like, the way I like
U make my heart go (3x)
Can't u make
I know what to do
To make u sway
Baby go down make it alive
That I will never forget
Chorus:
Say my name say it loud
The way I like, like u know how
Say my name, say it loud
Make it... it's the last time will be around
Say my name say it loud
The way I like, the way I like
Say my name, say it loud
The way I like, the way I like
U and I don't know
What we lie so don't let more time pass on
I know u won't understand
Byt the end of the night
You'll be screaming my name
Say my name (7x)
It's like the last time will be around
[Chorus:]
