## **Arise Above Oppression**

## **Fear Factory**

Rise above, rise above Steal away to hide your shame Rise above, rise above!

Rise above your oppression Above the one that hates you Above the one that lies Above the one that hates Death! Fear! Rage!

Rise above your depression Above the one that kills Above the one that hates Above all of the pain Fear! Death! Rage!

Rise above, rise above
Rise above
Rise
Rise
Rise

Rise above your oppression Above the pain and suffering Above the one that hates you And kills you Through all of your life
