

## Cars

Fear Factory

Here in my car  
I feel safest of all  
I can lock all my doors  
It's the only way to live  
In cars

Here in my car  
I can only receive  
I can listen to you  
It keeps me stable for days  
In cars

Here in my car  
The image breaks down  
Will you visit me please  
If I open my door  
In cars

Here in my car  
I know I've started to think  
About leaving tonight  
Although nothing seems right  
In cars

I know I've started to think  
I know I've started to think
