Difference Engine

Fear Factory

Noise in the machine A world of lies backfires on you Choke cause and effect Built to collapse the final breakdown

To the system To the system

Fire weapons of fear Human affliction ever grinding us down Blood fuels the engine of dissension We are scabs and the scars now

We are nothing to the system We are nothing to the system

To the system System To the system

We are nothing in the end Betrayed and disowned To suffer alone We are nothing in the end Betrayed and disowned To suffer alone

We are nothing to the system We are nothing to the system
