```
No gods, no kings only man
They are not one of us
Disconnected and unwanted
Distressed and cut off
Hope and despair silencing the world
No gods, no kings only man
No gods, no kings only man
They are not one of us
The future is black and gray
There is no tomorrow
Torn apart by weakness
A cancer on the earth
No gods, no kings only man
```

The spirit lies contaminated The fall of seduction Transformation of yourself Dark clouds in your heart

No gods, no kings only man
