Fear Factory

```
We we we we we we
We are the new breed
We are the future
We are the new breed
We are the future
We are the new breed
We are the future
We are the new breed
We are the future
We are the new breed
We are the future
We are the new breed
We are the future
We we we we we
We are the future
We we we we we
We are the future
We we we we we we
We we we we we we
We are the new breed
We are the future
```

We are the new breed We are the future We are the future We are the future
