

# Can't Breathe

Fefe Dobson

It's been, thirty seven days  
Since you, turned and walked away  
Baby, you were foolish  
You were wrong  
You should have made it better  
You, broke the promise you made  
Cause you were jealous, and afraid  
Baby, I was rising  
You knocked me down  
We should have stayed together

Now I can't breathe  
If I'm not breathin' with you  
I can't sleep  
If all I'm dreamin' is you  
Can't you see  
I've got no air without you  
I can't breathe, I can't breathe  
So I cracked and called you today  
And the tears froze, on my face  
Cause you said, we were over  
You were so cold  
We should have been forever  
Now I can't breathe  
If I'm not breathin' with you  
I can't sleep  
If all I'm dreamin' is you  
Can't you see  
I've got no air without you  
Now, I can't breathe, I can't breathe  
We could have everything but all we got is heart ache and pain  
I can't catch my breath, it's getting harder to speak  
You should be proud of me, but you're too insecure and too vain

We should have been forever  
I wanted you forever  
Now I can't breathe  
If I'm not breathin' with you  
I can't sleep  
If all I'm dreamin' is you  
Can't you see  
I've got no air without you  
I can't breathe, I can't breathe  
Oohhhh...  
Yeah!

Why couldn't you just be a man?  
Why couldn't you just understand?  
All I wanna do is hold your hand  
Why couldn't we walk hand in hand?  
Why couldn't you just be a man?  
Why couldn't you just understand?  
All I wanna do is hold your hand
