

I'm Not Running Away

Feist

I'm not running away
Water is running like I stay
Constant growing up
I'm not making this up
It got hard for me to believe in true love
Constant growing up

I'm not running away
I'm not running away
No, I'm not running away

I wouldn't be telling the truth
If I don't admit that I depend on you
Constant growing up
The difference between night and day
We watch the moon rise and all that indicates
I got a home in you that noon illuminates
Together alone in you
I'm not running away

You got to carry me
(Staying right here now!)
Carry me
(Staying right here now!)
Care
(Staying right here now, that's right right here now!)
Care

And I'm not running away
Water is running like I stay
Constant growing up
