

Stop The Bleeding

FFH

How much farther must I go
'Til You say that I'm broken?
How much heartache must I know
For You to say enough's enough?

How many teardrops have to fall
For You to see that I'm empty?
Is the reason for this all?
So I'll admit I'm not so tough

So come and stop the bleeding
I think I finally understand
So come and stop the bleeding
I know You can

How much desert must I cross
'Til I come to the Jordan?
I am thirsty and I am lost
My heart is weak and emptied out

So come and stop the bleeding
I think I finally understand
So come and stop the bleeding
I've tried to fix this but I can't
So come and stop the bleeding
I know You can

So come and stop the bleeding
I think I finally understand
So come and stop the bleeding
I've tried to fix this but I can't

So come and bring the healing
I think I've had all I can stand
So come and stop the bleeding
If You can
Come and stop the bleeding
I know You can
