Fickle Friends

Move with me now
Move with me now, I'm calling you out
Ooohhh
Balance me out
Balance me out
Move with me now

Ooohhh
Balance me out

(Oohooohooohoooh)
(Balance me out)
(Oohooohooohoooh)

(Oohooohooohoooh Oohooohooohoooh Oohooohooohoooh)

Buy me all the things a girl could want in Paris
Did I ever give you more than you could manage?
Give me everything that you want to forget
By the time you changed your mind I would have left
(Oohooohooohoooh Oohooohooohoooh)
