

Rotation

Fickle Friends

Oh, you got me on a heavy rotation
Oh, you got me on a heavy rotation

Why do people always tell me I-
When do people always tell me I, I don't need friends
I don't need friends like him?

I felt too complicated for your life
I'm honestly sedated half the time
That's why I don't want friends
(Take me as something dumb or what?)
I don't want friends like him
(At least I get the things I want from you)

Oh, you got me on a heavy rotation
Oh, you got me on a heavy rotation
Oh, I'm never gonna have a solution
Why are people always so defensive
When I clearly do not have ammunition?

You got me on a-, you got me on a -
You got me on a heavy rotation
You got me on a-, you got me on a-
You got me on a heavy rotation

Why do people always tell me I-
When do people always tell me I, I don't need friends
(Take me as something dumb or what?)
I don't need friends like you?
(At least get the things I want from you)

Oh, you got me on a heavy rotation
Oh, you got me on a heavy rotation
Oh, I'm never gonna have a solution
Why are people always so defensive
When I clearly do not have ammunition?

You got me on a-, you got me on a -
You got me on a heavy rotation
You got me on a-, you got me on a-
You got me on a-
