

Whore

FIDLAR

Why did you go betray me?
You're such a whore.
I stay at home drinking,
You're such a whore.

Why did you go betray me?
You're such a whore.
I stay at home drinking,
You're such a whore.

Why did you go betray me?
You got no soul.
You left me in the valley,
This ain't not home.

This ain't my whore.
She ain't yours now.

Why did you go betray me?
You're such a whore.
I stay at home drinking,
You're such a whore.

Why did you go betray me?
You've got no soul.
I stay at home drinking,
You're such a whore.

Why did you go betray me?
You got no soul.
You left me in the valley,
This ain't not home.

This ain't my whore.
She ain't yours now.

This ain't my whore.
She ain't yours now.
