

## Squeeze

### Fifth Harmony

End of the night, looking at me, what do you see?  
Wish I could read your mind  
Dimming the light, here in the dark, going by feel  
Only the moon to guide

When we're alone, I get so close  
Give me your warmth I've never known  
Face to face, caught in a wild embrace  
This is the safest place I've ever known

Put your arms around me, baby  
Put your arms around me, baby, and squeeze  
Only you know how to save me  
Put your arms around me, baby, and squeeze, squeeze

Remember the night talking to me  
Saying the words I wanna hear the most  
Gave me your heart, gave me your coat  
When I was cold, taking me sweet and slow

When we're alone, I get so close  
Give me your warmth I've never known  
Face to face, caught in a wild embrace  
This is the safest place I've ever known

Put your arms around me, baby  
Put your arms around me, baby, and squeeze  
Only you know how to save me  
Put your arms around me, baby, and squeeze, squeeze  
Put your arms around me, baby  
Put your arms around me, baby, and squeeze  
Only you know how to save me  
Put your arms around me, baby, and squeeze, squeeze  
Won't you squeeze me, hold me, baby?
