

Since You've Been Gone

Fine Young Cannibals

You left our home
Didn't see eye to eye
No matter how hard I try
I live on my own
Still I don't seem to find
Any kind of peace of mind

And I'm still looking for you
Have you seen my baby?
That's all I want to do
Have you seen her lately?

Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now

Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now

My friends at work
They tell me I should get away
Maybe take a holiday
They know I hurt
Everyday, I get in late
Find it hard to concentrate

And I'm still looking for you
Have you seen my baby?
That's all I want to do
Have you seen her lately?

Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now

Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now

Can't sleep, don't eat
Sitting in a Smokey bar
Wondering where the hell you are
I watch TV
Thrown away another day
Sitting in the Cafe all day

Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now

Since you've been gone

Since you've been gone now
Since you've been gone
Gone so long now
