Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch

I resent you for being raised right  
I resent you for being tall  
I resent you for never getting any opposition at all  
I resent you for having each other  
I resent you for being so sure  
I resent you presenting your life like a f\*cking propaganda brochure

And I see that you keep trying bait me  
And I love to get up in your face  
But I know if I hate you for hating me  
I will have entered the endless race

Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport (Evil is)  
When the one who's burnt (Evil is)  
Turns to pass the torch (Evil is a relay sport)  
Evil is a relay sport (Evil is)

When the one who's burnt (Evil is)  
Turns to pass the torch (Evil is a relay sport)

I resent you for being raised right

I resent you for never getting any opposition at all  
I resent you for having each other

Evil is a relay sport  
When the one who's burnt

Evil is a relay sport (Evil is)  
When the one who's burnt (Evil is)  
Turns to pass the torch (Evil is a relay sport)  
Evil is a relay sport (Evil is)  
When the one who's burnt (Evil is)  
Turns to pass the torch (Hurt myself even more)

Sorry

Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch  
Evil is a relay sport  
When the one who's burnt  
Turns to pass the torch

Wipe it all away  
Wipe it all away  
I used to go to the ferris wheel every morning  
Just to throw my anger out the door
