I tell you how I feel But you don't care I say tell me the truth But you don't dare You say love is a hell You cannot bear And I say gimme mine Back and then go there For all I care I got my feet On the ground And I don't go to Sleep to dream You got your head In the clouds And you're not at All what you seem This mind, this body And this voice cannot be Stifled by your deviant ways So don't forget what I told you Don't come around I got my own hell to raise

I have never been
So insulted in all my life
I could swallow the seas
To wash down all this pride
First you run like a fool
Just to be at my side
And now you run like a fool
But you just run to hide
And I can't abide

I got my feet
On the ground
And I don't go
To sleep to dream
You got your head
In the clouds and
You're not at all
What you seem
This mind, this body
And this voice cannot be
Stifled by your deviant ways
So don't forget what I told you
Don't come around
I got my own hell to raise

Don't make it a big deal
Don't be so sensitive
We're not playing
A game anymore
You don't have
To be so defensive
Don't you plead me your case
Don't bother to explain

Don't even show me your face 'Cause it's a crying shame Just go back to the rock From under which you came Take the sorrow you gave And all the stakes you claim And don't forget the blame

I got my feet
On the ground
And I don't go
To sleep to dream
You got your head
In the clouds and
You're not at all
What you seem
This mind, this body
And this voice cannot be
Stifled by your deviant ways
So don't forget
What I told you
Don't come around
I got my own hell to raise
