

## Body and Soul

### Firefall

Well how long do you think you can stay  
There's no reason to leave right away  
Why don't you spend the night girl  
I think it's only right girl

Don't be scared, let your feelings show  
It's so easy you just let it go  
Let this be the night girl  
It can be so right girl

Body to body, soul to soul  
Wrap your loving arms around me  
And never let go  
There's a chance we'll fall in love tonight  
Body and soul

If your eyes could only reveal  
All the passion you truly feel  
Let this be the night girl  
It can be so right girl

Don't be scared, let your feelings show  
It's so easy you just let it go  
Let this be the night girl  
It can be so right girl

Body to body, soul to soul  
Wrap your loving arms around me  
And never let go, oh no  
There's a chance we'll fall in love tonight  
Body and soul

Body and soul  
Body and soul  
Won't you love me, love me, love me  
Body and soul

Body to body, soul to soul  
Wrap your loving arms around me  
And never let go, oh no  
There's a chance we'll fall in love tonight  
Body and soul

Body and soul  
Body and soul  
Won't you love me, love me, love me  
Body and soul  
Let this be the night girl  
Body and soul  
Won't you love me, love me  
Love me, love me  
Love me, love me  
Love me, love me  
Yeah  
Body and soul  
Let this be the night girl  
Body and soul

Let this be the night girl...
