

# I Live My Life For You

Firehouse

You know you're everything to me  
and I could never see  
The two of us apart  
And you know I give myself to you  
and no matter what you do  
I promise you my heart

I've built my world around you  
and I want you to know  
I need you like I've never  
needed anyone before

I live my life for you  
I wanna be by your side in everything that you do  
And if there's only one thing you can believe is true  
I live my life for you

I dedicate my life to you, you know  
that I would die for you  
But our love would last forever  
And I will always be with you  
and there is nothing we can't do  
As long as we're together

I just can't live without you  
and I want you to know  
I need you like I've never  
needed anyone before

I live my life for you  
I wanna be by your side in everything that you do  
And if there's only one thing you can believe is true  
I live my life for you

I've built my world around you  
and I want you to know  
I need you live I never  
needed anyone before

I live my life for you  
I wanna be by your side in everything that you do  
And if there's only one thing you can believe is true  
I live my life for you  
I live my life for you  
I live my life for you
